Mobility & Accessibility  
for Children in Australia

Mobility and Accessibility for Children in Australia Ltd (MACA) is a registered charity that aims to advance the rights of children with disabilities and medical conditions to safe and accessible transport.

The Australian Government has funded MACA to establish national information resources for the safe transport of children with disabilities and medical conditions.

We provide parents and carers with trustworthy information and advice about safe vehicle transport and we help build the knowledge and confidence of the allied health professionals who support them.

All children have the right to travel safely and comfortably on our roads — and we would greatly appreciate your help to reach families and health professionals in your communities.

We've provided a range of resources to make it as easy as possible to spread the word:

1. Posters to place in your facilities
2. Postcards for parents and professionals
3. Copy for your website
4. Social media content
5. Newsletter article

If you have questions, or would like anything further, email [contact@macahub.org](mailto:contact@macahub.org) or call us on (03) 9134 2500 and we would be glad to assist.

## Safer transport for local children with disabilities

For some children with disabilities and medical conditions and their families, travelling safely and comfortably on our roads can be challenging.

Registered charity Mobility and Accessibility for Children in Australia Ltd (MACA) is here to help.

MACA's website — [macahub.org](http://macahub.org) — provides trustworthy information such as:

- + How to get help
- + Look up list of MACA trained health professionals
- + Answers to frequently asked questions

- + Safe travel tips
- + Family stories
- + Transport challenges
- + Independent information about specialised car seats and other products used by children with disabilities.

MACA also provides training and support for allied health professionals, who work closely with families, to support children's car seating needs.

Visit [macahub.org](http://macahub.org) to find out more.

We pay respect to the Traditional Custodians of all lands, past, present & future. Honouring Elders & nurturing all young people.
